

# EMCC Learning College Grant Opportunities

**Goal:** To provide faculty a common interface to access funding for all EMCC Learning Grant opportunities. EMCC Learning Grant Opportunities include the following: Hybrid Course Development, Learning College Grants, Online Course Development, Technology-Enhanced Grants and Title V Grants.

**Call for Proposals:** **The application deadline for EMCC Learning Grants has passed. Please watch for the next call for proposals.**

**New Learning Grant Process!** [View a pdf of this process.](#)

**Step 1:** [Login](#) with your Estrella username and password to begin the Grant Process.

**Step 2: (*New Requirement*)** Faculty or Staff who wish to submit a proposal must conduct a Face-to-Face Discussion with their Division Chair/Director before completing the proposal form.  
(**NOTE:** To begin the Face-to-Face Discussion form, Division Chair/Director(s) must login.)

**Step 3:** Faculty complete and submit their proposal.

## Descriptions and Policies

---

### Hybrid and Online Course Development

---

#### Hybrid/Online Course Development Process

**Step 1:** Faculty member has a Face-to-Face discussion with their Division Chair about their intent to submit a Course Development proposal.

**Step 2:** The Course Development proposal form is submitted within the appropriate time frame.

**Step 3:** Faculty attend Hybrid and Online Redesign Workshops. [Register for workshops.](#)

**Step 4:** Over the course of a semester, in collaboration with the E-Learning Faculty Coordinator, the faculty member develops the course.

**Step 5:** Faculty presents the Hybrid/Online course to colleagues. Course is peer reviewed and the LOAF is completed.

**Step 6:** At the end of the semester, upon successful completion of the Hybrid/Online course, the faculty member receives the appropriate Stipend (unless he or she chose Re-assigned time as their compensation).

**Step 7:** Pilot semester: meet regularly with E-Learning Coordinator during Pilot semester.

**Step 8:** Complete [Learning Outcome Assessment form](#) & [SAAC EZ](#).

#### [E-Learning Course Development Guiding Principles](#)

- Given the economic climate, identify strategically where we are, and how to best utilize institution resources.
- Supports degree and/or certificate completion.
- Supports AGEC course development.

- Supports innovative, new, and/or emerging specialized programs.
- Other: examples include, consideration such as faculty/space issues, inability to hire adjuncts, etc...
