Resource Guide Programs

Creative Pathways

Program Description:

Creative Pathways is a program that provides eligible employees with opportunities to work towards professional time advancing the educational objectives of the Maricopa Community Colleges. Offerings include:

- Employee Internship - Employees have the opportunity to experience other positions within Maricopa and in range from part-time to full time for a maximum of six months.
- Maricopa Learns Through Service - Employees are placed in non-profit agencies within the community for up
- The Maricopa Employee Mentor Program - is an informal program, which means that the mentor and mentee determine goals, meeting times (monthly, bi-weekly, bi-monthly, etc.) and the length of the relationship.
- Employee Career Development - Assists employees with career coaching & guidance, and a mentorship program. Currently, employees can access an on-line resource for assistance at <http://www.maricopa.edu/eod/secureem>

Available to:

Internship and Maricopa Learns Through Service:

- Full-time, Governing Board-approved employees.
- Employed at least two full years.
- Not on probation or under disciplinary action.

Employees working less than thirty hours per week or on restricted monies (specially funded, etc.) are not currently eligible.

Career Development and Mentoring is available to any employee (full-time, part-time, temporary, governing board approved).

Application/Deadlines:

Applications for the placement programs are reviewed throughout the fiscal year. Applications should be submitted by the placement start date.
