**Careertipster.com » Why Good Interviewing Starts with Good Listening and Observation**  
[careertipster.com](http://careertipster.com)

The best interviewers are the ones who know themselves inside and out and because they have insight to their own behaviors, attitudes, goals, strengths and weaknesses, they can comfortably talk about them to an employer. However, interviewers must also be strong communicators. Whenever I tell people

**Careertipster.com » 5 Things Your Resume Won't Do For You**

careertipster.com

1. Get You A Job Too many people think their resume will get them a job. Others mistakenly think that their resume is what got them a job in the past which is why they refuse to revise it. It is very frustrating to coach a client or student and provide critique on their resume only to listen to them
