About Us:

The Center offers a wide array of services to support the Maricopa Community Colleges, including faculty, administration, and most importantly, its students.

CURRICULUM

The development of curricular proposals is a core service area for the CCTA. The staff also provides support and services related to the implementation of approved credit-based courses, programs, and policies. [This site](#) provides information, procedures, and other information about these services.

TRANSFER ARTICULATION

The CCTA is the district contact for articulation and transfer of courses and programs with post-secondary institutions. The Center provides leadership and coordination for programs and activities in support of seamless student transfer. [This site](#) provides information about key articulation contacts, state-level committees and task forces, and business processes that support articulation.
