Maricopa Concernline

The Concernline is a 24-hour/7-day-a-week service that is operated by Global Compliance, a third-party vendor. Also referred to as the 24/7 Hotline, this tool serves as an anonymous reporting mechanism for submitting concerns such as fraud, theft, policy violations, enrollment irregularities, conflict of interest, and the misuse of public resources. Concerns may be submitted either by phone at 1.866.447.9819 or web allegation at www.concernline.maricopa.edu. Once reported, concerns are evaluated and assigned for review or investigation. All concerns receive a reply upon conclusion of the review or investigation.

Citizen and Employee Ombuds Services

Members of the external community who have concerns or questions about the operations or services of our colleges may contact the Office of Public Stewardship for general information or to voice a concern. The services of an Employee Ombudsperson is the responsibility of the Office of Public Stewardship where employees may seek informal, neutral and confidential guidance on concerns. Employment-related decisions that are subject to established employee grievance processes should still be vetted through those mechanisms.
